INTERESTING ITEMS FROM EL VERANO AND SONOMA.

Weekly Record of all the Happenings in the Valley as Faithfully Recorded by Our Wide-Awake Reporter, "Archie McKiver."

Roadmaster John Serres was in Glen Ellen Sunday on business.

Eugene Dutil is spending the week here.

A. Nevraumont transacted business in Vallejo the fore part of the week.

Miss Cecelia Dowdall of the metropolis was visiting relatives here Sunday.

Mrs. John Serres of the metropolis was a guest at the Serres residence Sunday.

Mrs. Chas. Lowery returned from Rumsey last Monday, after a pleasant week's visit with relatives.

Mike Cummings, well-known Sonoma butcher, passed through here Monday en route to Santa Rosa.

Miss Annie Corbett of the metropolis, sister of the famous Jim Corbett, is one of the many guests at the Helvetia Hotel.

A. G. Wagner, a well-known real estate man of Oakland, with his wife and family is registered at the El Verano Villa.

Wm. Cummings, wife and family of Santa Rosa, accompanied by Theo. Keiser of Sonoma, motored through town Sunday.

The masquerade ball held at Sonoma Grove last Saturday evening was a grand success. A number of fine prizes were awarded.

Wm. Kearney, well-known member of the Sonoma Y. M. I., is in San Jose this week attending the annual reunion of that society.

An inspection train of the N. W. P. passed through here the latter part of last week, the high officials of the company being on board.

Otto Spindler, after a much needed rest on his father's ranch, has returned to San Francisco to resume his duties as engineer at the Palace Hotel.

F. La Franchi and Charley Danich are busy this week raising the Helvetia Hotel, and are getting ready to build thirty-five rooms. When completed it will be called Bigelow's sky scraper.

John Mulsahy and wife of the Bay City are guests at Paul's Resort, Verano. All are glad to see Mr. Mulsahy, who never fails to show up each year and say "hello" to his many friends here.

Arthur McGill of Lakeville, who is employed on the Fair ranch, passed through here on his return from a camping trip through Lake county Sunday. He reports plenty of deer hunting up that way.

Another large number of excursionists from San Francisco were at Sonoma Vista Sunday and more lots were disposed of. This promises to be one of the leading summer resorts of the Sonoma Valley.

A large crowd of the younger set attended the dance at the El Verano Villa Saturday evening. Professors Peebles and Merki furnished the latest dance music. These dances each evening are popular and the hall is always crowded.

Veronica Verano was among the many who attended the ball game at Boyes Sunday and she appeared greatly interested in Terrie Deisch, the famous diver. Veronica, besides being a newspaper correspondent is some swimmer herself and it looks as if she will try for honors in that line.

Everybody seems Weise around here and it looks as if Mr. Kilgore will be shut out. It will save Supervisor Weise the trouble of collecting his election expenses, however but the poor voters and county will have to stand this along with the election expenses, just to satisfy the greed of one man who must know it is impossible to win.

Last Saturday afternoon as L. Merki, musician at the El Verano Villa, was bathing in Sonoma Creek he ventured out too far in deep water and being unable to swim would have drowned had it not been for little Marie Minkel, who grabbed the unfortunate man just in time to save him. A large crowd on shore witnessed the near catastrophe and all are loud in their praises of Miss Minkel's courageous act.

Miss Mamie Walsh is visiting friends in Oakland.

The Board of Supervisors at their next month's meeting will consider the Black Point cut-off. A large number of Sonoma Valley's most prominent citizens will attend the meeting and give their hearty support. If the thing goes through it will be a big benefit to the Sonoma Valley. The El Verano Development Association is working hard for it and it looks as if this body will be rewarded.

Harry Bell, well-known, all-around horseman of Sonoma, accompanied by a pal, had quite a time making his way away from the S. P. depot Monday morning. Harry, along with his belated pal, had a dog, which he wanted to take into the coach with him. It not being allowed, the terrible Harry started for the baggage coach, landed the pup and as the train pulled out, his partner being slightly under the weather, jumped on the blind baggage, the baka-man immediately putting him off. Harry, although he looked as if he had had a bad night, managed to board the train, leaving his partner behind. Just the same Harry had his dog and the last heard of him he was telling the officers in Santa Rosa all about it.

Totten, George Mansfield Totten, Edward Totten, and also all other persons unknown, claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership or any cloud upon plaintiff's title thereto, Defendants.

Summons.

Robert J. Poppe and R. F. Crawford, attorneys for plaintiff.

This action is brought in the Superior Court in and for the County of Sonoma, State of California, and the complaint is filed in the office of the County Clerk of said county, who is ex officio Clerk of said court.

The People of the State of California send greeting to J. H. Boswell, administrator of the estate of George M. Totten, deceased, Julia R. Totten, George Mansfield Totten, Edward Totten, and also all other persons unknown, claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership or any cloud upon plaintiff's title thereto, Defendants.

The Plaintiff above named has brought an action against you, in the Superior Court in and for the County of Sonoma, State of California, entitled as above, and has filed the complaint in said action in the office of the County Clerk of said County, who is ex-officio Clerk of said Court.

And you are, and each of you is, hereby directed to appear and answer the complaint in said action within ten days after the service on you of this summons—if served within said County; and if served elsewhere and without said County, then within thirty days after service of same upon you.

And you are hereby notified that unless you appear and answer as above required, said Plaintiff will take judgment for any money or damages demanded in the complaint, as arising upon contract, or it will apply to the Court for any other relief demanded in the complaint.

The real property affected by said action is situated, lying and being in the County of Sonoma, State of California, and is described as follows to-wit:

All of lots numbered 1, 2, 3, 4, 5, 7, 9, 10, 11, 12 and that part of lot number 6, described as follows: Beginning at a point in the Northwest corner of said lot 6, thence running Southerly 312 feet along the intersecting line of lots 5 and 6, 200 feet, thence Westerly parallel with the County road 77 feet, thence Northerly parallel with the intersecting line of said lots 5 and 6, 12 feet, thence Westerly parallel with the County road 140 feet to the point of beginning. All of Block "B" and all of Block "C". All of Blocks "A," "B," and "C" being a part of Hughes Chicken Colony No. 1 as per map of same recorded in the office of the County Recorder of the County of Sonoma, State of California, on April 4th, 1911, in Liber 25 of Maps, at page 20. Also, part of Blocks "D," "E," and "F," being a part of Schellville Chicken Colony No. One (1) as per map of same recorded in the office of the County Recorder of the County of Sonoma, State of California, on September 5th, 1911, in Liber 26 of Maps, at page 11.

Mr. and Mrs. J. Brennan and three daughters of Antioch were guests of Mr. and Mrs. A. Gale last Sunday. Mr. Brennan is an S. P. section boss.

Jack Mathews, formerly a well-known resident here and who has been on the sick list in San Jose, has returned and his many friends were glad to see him.

Charley Miller, heavy weight aspirant for championship honors, has issued a challenge through the San Francisco Bulletin to box any White Hope in the world, black or white. Some speed to Charley and he hails from El Verano. We wish you luck.

The readers of the Index-Tribune were wondering last week what had become of Easy Jim, its Vineburg reporter. We suppose Easy is on his annual vacation or probably there is jealousy among his fair correspondents and Jim may be in hiding. One can never tell.

There is nothing to it. Everybody here is for Supervisor Weise and this time with the whole support of Blair Hart's followers. There is going to be something doing and Mr. Bigelow and Lawyer Kilgore are going to get a beating that will surprise and set the world afire. "Poor old Guy."

H. H. Granice, well-known and popular editor of the Index-Tribune, was in town last Saturday. Ye editor pronounces the business in the newspaper line rushing. The prohibition wave that has struck our valley is running his subscription list up, leaving him short of papers last week to meet the demands of the public.

One hundred is up in the hands of Archie McKiver to bet that Bigelow's recall candidate at the election, if it is held, will not receive the 416 votes that is on the would-be monarch's petition to recall Weise. The better requested the writer to try to get the coin up with J. K. Bigelow. Archie replied that as soon as he got close enough to the reformer he would make him the offer. As it is now, he seems to steer clear of the Index-Tribune's correspondent.

The article that appeared in last week's Expositor about a supposed assassination is looked upon by all here, as a scheme of the agitator to create sympathy. Believe the writer in this latest piece of dirty work they have secured through misrepresentation signers to the recall petition who down in their hearts are against the whole scheme of recalling a worthy official and putting the county to the useless expense of holding an election that will result in maintaining Supervisor Weise in office.

The answer published in last Saturday morning's Press Democrat by Clarence F. Lea, our able District Attorney, to the attack made by Ralph Thompson in Bigelow's prohibition sheet, was read with great interest here. Thompson is well-known here and is looked upon as trying to be on both sides. It is claimed by a friend of Mr. Thompson's that during one of his visits down this way he had said that he hoped that the people wouldn't be sore at him at the stand he had taken with the drys as a lawyer as he had been hired by Bigelow and couldn't be blamed for taking the job and earning some money. Of course the people here are onto Ralph and if he ever comes up for office like J. K. Bigelow and his prohibition candidate Kilgore, he will be downed.

Louis Kearney was a visitor in Santa Rosa Saturday and Sunday last.

Mrs. James Baines and daughter, Miss Irene, are visiting in the metropolis this week.

Mrs. Frank Weigands and daughter were visitors here Sunday from Petaluma.

Dal Empanan of San Francisco was an interested spectator at the ball game at Boyes Springs on Sunday.

Traveling passenger agent Corigan of the Southern Pacific Co. was here from Oakland the latter part of last week.

Alex Borden, popular section boss of the S. P. Co., passed through here Saturday evening en route to Santa Rosa.

Miss Vina Bonkoff, a popular young lady of Santa Rosa, was the guest of her sister Mrs. O. T. Wilkinson last Sunday.

A. Nevraumont, formerly owner of El Verano Villa but now residing in Los Angeles, is registered at that popular resort.

Chas. Spindler, well-known traveling man, left last Saturday on a business trip to Seattle and other northern cities.

Mr. and Mrs. Joseph Murphy, who formerly resided here, were presented with a beautiful baby girl one day last week in San Francisco.

Genial Mike Slattery was seen Sunday in the vicinity of Boyes Springs with a rubber tired rig and accompanied by a beautiful summer girl.

Wouldn't it be nice to elect Kilgore Supervisor with the mischief maker behind him as dictator. What a muddle the district would be in to be sure.

Mrs. M. McCloskey of San Francisco, accompanied by her daughter Maud, is spending a few weeks at the Heidelberg resort, Agua Caliente.

C. F. Carmer was in Santa Rosa last Saturday looking up the pound laws. This was the first time the gentleman has visited the county seat since the earthquake.

Howard Knight, the popular Deputy Assessor of Schellville, was in town Sunday. Mr. Knight has about finished assessing and he handled the job like a veteran.

Fred Brack has sold his ranch above town to Mr. Semel. The buyer intends to improve the property, while Mr. Brack leaves for the northern part of the State.

By the looks of the S. P. depot here the town is still wet. A number of empty beer boxes on the railroad platform must look nice to our agitator as he motors through town.

Miss Nellie O'Brien, accompanied by Mr. Chester of San Francisco who is looking after the O'Brien estate, transacted business here the first of the week. Mr. Chester will make his home here.

A. L. WELLS

A roving band of section hands is camped in the Southern Pacific yards here getting ready to lay down the new steel rails on this division.

The Levoroni Bros. have contracted for 40 carloads of hay to be shipped to A. Lindauer of San Francisco over the S. P. They are busy this week loading these cars.

As the writer was reading in last week's Index-Tribune would-be Supervisor Bigelow's letter to the liquor interests when he was aspiring for that office he mentions the fact that he was hiring Japs for chicken lice-killers and cleaning out chicken houses. We notice that one of the little brown men has got quite a raise from a lice-killer to a chauffeur and he calls himself a man of his word. With him it is anything to get an office, which he never will.

Morning worship at 11 a. m.

If we remember that children are given to us parents by God to prepare to glorify Him and that we glorify Him by obedience, we would not let them do just like Topsy. If we want the children to keep the commandment, "Honor thy father and thy mother," we must bring it about a little before they are born and keep at it for twice seven years at least. Sunday morning let us consider the matter. Children take after their elders.

In the evening Prof. Robinson of Stanford will lecture at 8 p. m. on the making of the Modern Tariff. Do not let strangers get a wrong impression. We like our churches better than our attendance would indicate. Come out in crowds and give the town a boost. Knowledge is power. Come and increase our stock.

Figuring Horse-Power of Automobile Engines

To find the horse-power of your motor-car, square the diameter of the cylinder, multiply it by the number of cylinders, and divide it by 24.

"That is the rule adopted by the Society of Automobile Engineers. It is not absolutely accurate but it is approximately so, at a definite piston speed, and it is at least as fair for one maker as for another. "While we are interested in this computation, still the Hudson cars are not rated according to any arbitrary formula. We test Hudson engines on a dynamometer, which gives readings showing actual brake horse-power. The motor of the '54' a Six-Cylinder car develops 57.8 horse-power at 1,500 revolutions per minute. At a little higher engine speed it shows 65 horse-power.

"It is hardly fair therefore to any of the modern efficient motor-cars to use the standard S. A. E. rating. Efforts are being made to secure a more accurate formula, and it is likely that this will be accomplished. Practically all motors are now made with the long stroke. This affects very much the accuracy of the standard rating."

The Weise Recall Petition

The petition circulated and filed by Guy J. K. Bigelow to recall Supervisor Weise, it now develops is defective inasmuch that the petition contains the names of some 70 voters, whose names are not written in on the petition as they appear on the Great Register. For instance, here in Sonoma a Mrs. Thomson's name appears in the petition whereas no such name can be found on the precinct register. This manner of signing a referendum petition invalidates the signer's name. There being about 70 similar signatures to the petition, G. J. K. Bigelow, who is the whole show in this recall fiasco, has been notified by the County Clerk's office that the petition is defective on account of incorrect signatures and must be rectified. Bigelow has been given ten days to fill a supplemental list of names to take the places of those defective signatures. He will undoubtedly be able to do this and will then have the gratification of having been the means of putting the taxpayers of Sonoma County to thousands of dollars of expense for the holding of three nonsensical elections the past year or two to gratify a personal spite against the electorate of the first Supervisorial district for defeating him for the very office he now seeks the recall of Supervisor Weise, one of the best officials this district has ever had.

Uncalled for as it Was Cowardly.

The dastardly attack made upon District Attorney Clarence F. Lea by attorney Rolfe Thompson of Santa Rosa in connection with a case tried in Judge Denny's department of the Superior Court last week, is being resented everywhere in the county as being unjustifiable, uncalled for and cowardly. However when one considers the two men, District Attorney Lea towers above his traducer as a mountain to a dung-hill in the estimation of the people of Sonoma county, where both men are best known. The attack did our brilliant and conscientious District Attorney no harm. On the contrary, it had the effect of making him more popular than ever in the minds of all fair-minded and thinking people.

He Will Die Some Time, Any How--- Why Assassinate Him.

The Expositor, Bigelow's journalistic mouth-piece of this city, in a recent issue, published a strong hint that some one had taken a shot at the big Guy in an attempt to assassinate him. No one believes the story down here because he is already a dead one politically and no one wants to waste ammunition on a dead duck. The whole story is a base fabrication and concocted for the purpose of keeping the egotistical mischief-maker's name before the public. Nobody wants to assassinate Bigelow, because he will die some time a natural death, any how. So why kill him. Let nature take its course.

"The Cat to Be Let Out of the Bag."

Notwithstanding the promise made by the recall leaders and their hirelings that all names written in on the Weise supervisorial recall petition would never be made public the INDEX-TRIBUNE will commence the publication of these names in next week's issue. As the list is quite lengthy it will be published by voting precincts—one precinct each week—until every signer's name is given in cold print to our readers to praise or condemn as they see fit. We believe it a stroke journalistic enterprise to let the cat out of the bag in this recall petition business so our readers will know who's who. Therefore we intend to turn loose this political feline on a long-suffering community.

Let Everybody Boost The Black Point Cut-Off.

It is planned by the El Verano Development Association, with its one hundred members representing every section of the Sonoma Valley, for a big booster demonstration next Tuesday when the matter of securing an appropriation of \$15,000 as Sonoma county's share toward the Black-Point Cut-Off proposition will have come up for consideration before the Board of Supervisors in Santa Rosa on the morning of that day.

The Black Point Cut-Off proposition is one of the biggest improvements from a beneficial standpoint ever attempted by the people of this valley and that, too, with every prospect of succeeding. But to make sure of this great public improvement, which means everything to the counties of Sonoma, Napa and Marin—no citizen should be lax in boosting it along. Therefore we say, let everybody turn out next Tuesday and join in the procession to Santa Rosa and San Rafael to the end that we leave no stone unturned to accomplish the success of a proposition that will do more than any other thing we know of to bring prosperity to this section of the state. It is a proposition in which three counties are vitally interested and it must go through. So important is this matter that the Board of City Trustees of Sonoma have declared next Tuesday a holiday. So shut up shop on that day, be there and boost and keep on boosting.

claring and adjudging that said Plaintiff is
the owner in fee simple of said lands, and

singular, by said Court, forever enjoined
and debarred from asserting any claim
whatsoever in or to said lands, adverse to
